

December 22, 2025: Letter to Ted Cruz

Good, morning,

I am writing to update your office again of the ongoing illegal surveillance and acoustic agitation scheme being carried out by Elon Musk's Space-X Starshield on behalf of Donald Trump's criminal enterprise.

As I monitor the daily events and movements of our world, I am being forcefully intruded upon by a network of people that are illegally monitoring our lives and seeking to 'influence' my life in very negative ways.

I am alerting your office that the Space-X Starshield Program that is being funded by the American tax dollar and that is receiving preferential treatment here in the State of Texas, is in fact a large illegal spying operation that is being used to 'Shield' the biggest 'Stars' in our modern world from accountability for their criminal behaviors.

Please forward this information to the appropriate authorities and begin a sincere investigation of the Freemason 'Secret' Society, the Space-X corporation, and the 'dark side' of the United States military.

Between the three organizations, I am certain that you will find the connections that you need to solve most of the problems that we are currently facing in our modern world.

Thank you for your continuing attention to this important matter.

Kindest regards,

Chris Noel Carlin
